TENANT'S PAYMENTS

Rent

- 1.1 The Tenant shall pay the annual rent by equal monthly payments in advance (or as varied pursuant to any rent review) on the rent payment dates. The first monthly payment (together with rent calculated on a daily basis for any period from the commencement date of the term to the first rent payment date) shall be payable on the first rent payment date. All rent shall be paid without any deductions or set-off by direct payment to the Landlord or as the Landlord may direct.

Market Rent Review

- 2.1 The annual rent payable as from each market rent review date (except for a market rent review date that is a renewal date) shall be determined as follows:
- Either party may not earlier than 3 months prior to a market rent review date and not later than the next rent review date (regardless of whether the next rent review date is a market or CPI rent review date) give written notice to the other party specifying the annual rent proposed as the current market rent as at the relevant market rent review date.
 - If the party receiving the notice ("the Recipient") gives written notice to the party giving the notice ("the Initiator") within 20 working days after service of the Initiator's notice disputing the annual rent proposed and specifying the annual rent proposed by the Recipient as the current market rent, then the new rent shall be determined in accordance with subclause 2.2.
 - If the Recipient fails to give such notice (time being of the essence) the Recipient shall be deemed to have accepted the annual rent specified in the Initiator's notice and the extension of time for commencing arbitration proceedings contained in the Arbitration Act 1996 shall not apply.
 - Notwithstanding any other provision of this clause, the annual rent payable as from the relevant market rent review date shall not be less than the annual rent payable as at the commencement date of the then current lease term.
 - The annual rent agreed, determined or imposed pursuant to subclause 2.1 shall be the annual rent payable as from the relevant market rent review date, or the date of service of the Initiator's notice if such notice is served later than 3 months after the relevant market rent review date but subject to subclause 2.3 and 2.4.
 - The market rent review at the option of either party may be recorded in a deed.

Rent Determinations

- 2.2 Immediately following service of the Recipient's notice on the Initiator, the parties shall endeavour to agree upon the current market rent, but if agreement is not reached within 10 working days then the new rent may be determined either:
- By one party giving written notice to the other requiring the new rent to be determined by arbitration; or
 - If the parties so agree by registered valuers acting as experts and not as arbitrators as follows:
 - Each party shall appoint a valuer and give written notice of the appointment to the other party within 20 working days of the parties agreeing to so determine the new rent.
 - If the party receiving a notice fails to appoint a valuer within the 20 working day period then the valuer appointed by the other party shall determine the new rent and such determination shall be binding on both parties.
 - The valuers appointed before commencing their determination shall appoint a third expert who need not be a registered valuer. If the parties cannot agree on the third expert, the appointment shall be made on the application of either party by the president or vice president for the time being of The New Zealand Institute of Valuers.
 - The valuers appointed by the parties shall determine the current market rent of the premises but if they fail to agree then the rent shall be determined by the third expert.
 - Each party shall be given the opportunity to make written or oral representations subject to such reasonable time and other limits as the valuers or the third expert may prescribe and they shall have regard to any of the representations but not be bound by them.
 - The parties shall jointly and severally indemnify the third expert for their costs. As between the parties, they will share the costs equally. A party may pay the other party's share of the costs and recover the payment on demand from the other party.
 - If the parties agree, they may release the third expert from liability for negligence in acting as third expert in accordance with this subclause 2.2.

When the new rent has been determined the person or persons determining it shall give written notice of it to the parties. The notice shall provide as to how the costs of the determination shall be borne and it shall be binding on the parties.

Interim Market Rent

- 2.3 Pending determination of the new rent, the Tenant shall from the relevant market rent review date, or the date of service of the Initiator's notice if the notice is served later than 3 months after the relevant market rent review date, until the determination of the new rent pay an interim rent as follows:
- if both parties supply a registered valuer's certificate substantiating the new rents proposed, the interim rent payable shall be half way between the new rents proposed by the parties; or
 - if only one party supplies a registered valuer's certificate, the interim rent payable shall be the rent substantiated by the certificate; or
 - if no registered valuer's certificates are supplied, the interim rent payable shall be the rent payable immediately prior to the relevant market rent review date,
- but in no circumstances shall the interim rent be less than the rent payable as at the commencement date of the then current lease term.
- The interim rent shall be payable with effect from the relevant market rent review date, or the date of service of the Initiator's notice if the notice is served later than 3 months after the relevant market rent review date and, subject to subclause 2.4, shall not be subject to adjustment.
- 2.4 Upon determination of the new rent, any overpayment shall be applied in payment of the next month's rent and any amount then remaining shall immediately be refunded to the Tenant. Any shortfall in payment shall immediately be payable by the Tenant.

CPI Rent Review

- 2.5 The annual rent payable from each CPI rent review date shall be determined as follows:
- (a) The Landlord shall adjust the annual rent on the basis of increases (and not decreases) in the CPI by giving notice to the Tenant of the increase (if any) using the formula:

$$A = B \times (C+D)$$
 Where:
 A = the CPI reviewed rent from the relevant CPI rent review date
 B = the annual rent payable immediately before the relevant CPI rent review date
 C = CPI for the quarter year ending immediately before the relevant CPI rent review date
 D = CPI for the quarter year ending immediately before the last rent review date or if there is no previous rent review date, the commencement date of the then current term of the lease (and in the case where A is the CPI reviewed rent for a renewal date then the last rent review date of the immediate preceding lease term or if there is no rent review date the commencement date of the preceding term)
 where (C+D) shall not be less than 1.
 - (b) If the CPI is discontinued and not replaced, or if there is a material change to the basis of calculation of the CPI, or a resetting of the CPI, an appropriate index which reflects the change in the cost of living in New Zealand as agreed by the parties and failing agreement to be determined by an expert appointed by the president or vice president of the New Zealand Law Society will be used.
 - (c) If the relevant CPI is not published at the relevant CPI rent review date, as soon as the CPI is published an appropriate adjustment will be made to the rent (if necessary) with effect from the relevant CPI rent review date.
 - (d) Notwithstanding any other provision of subclause 2.5, the annual rent payable as from the relevant CPI rent review date shall not be less than the annual rent payable immediately preceding the CPI rent review date (and in the case where the relevant CPI rent review date is a renewal date, the annual rent payable at the expiry of the preceding term).
- 2.6 The new rent determined pursuant to subclause 2.5 shall be payable from the relevant CPI rent review date once it is determined by the Landlord giving notice under that subclause. Pending determination of the new rent, the Tenant will pay the rent that applies prior to the CPI rent review date. On determination of the new rent, the Tenant will immediately pay any shortfall to the Landlord.
