

Adjudication 101 – putting your best foot forward in a dispute

November 1, 2018

The continuing "construction boom" has been far from smooth sailing for construction companies. Disputes are on the rise, not only as a result of the risk profiles being taken on by contractors, but also due to shifting attitudes toward disputes and dispute resolution.

Tamzin Dempster and Stephanie Panzic from our national construction and major projects team outline what this process looks like, and how you can use it to your advantage in the latest issue of New Zealand Construction News.
